We're excited to be able to continue providing Quality Dollars to providers to help them improve their programs. Because many programs now have the materials they need, we will begin shifting some funding from Quality Dollars during the 2020-2021 school year. Our research shows that assisting teachers in the classroom is making a significant and positive impact on children’s readiness for Kindergarten and we want to continue to support your professional development needs and goals.

**Guidelines for Quality Dollars**

Quality Dollars must be used to improve programming only at Preschool Promise sites. Organizations that have multiple sites may not use Preschool Promise funds to cover teacher and classroom/facility costs at non-Preschool Promise sites. While we understand the importance of all sites benefiting from quality improvement efforts, our funders require their support be spent at Preschool Promise sites.

Quality Dollars should be spent during the school year that they are awarded. Quality Dollars that are not spent by June 30 of each school year will be forfeited. Requests for Quality Dollars may be made any time between August 1 and July 1 of the relevant school year. Providers may spend down their base funding prior to October 1, and then spend their per-child allocation after that funding is finalized in October.

Here’s how to request Quality Dollars:

- 2- and 3-Star sites will need to coordinate with their Preschool Promise Coach to request funds. This ensures alignment with their Continuous Improvement Plan and the strategies they’ve adopted with support from their Coach. If you do not have a classroom coach, you will make request through your Leadership Coach.

- 4-Star and 5-Star sites must request funds by using the form at PreschoolPromise.org. Funds may only be requested after submitting your Step Up to Quality Continuous Improvement Plan. Please allow 2-3 weeks for processing.

- Barbara Elrod can assist you in completing paperwork and answer questions regarding expenditures. She can be reached at Barbara.Elrod@PreschoolPromise.org or at (937) 414-2021

Continuous Improvement Plans (CIPs) will be created for all Preschool Promise partners. A sample form is available at PreschoolPromise.org.

- 2-Star and 3-Star sites will create their plans with their Preschool Promise Coach at the start of the school year.

- 4-Star and 5-Star programs may submit the Continuous Improvement Plan required by Step Up to Quality. This form should be submitted in the fall, prior to making requests for Quality Dollars.
