

FIFTEENTH ANNUAL READINESS SUMMIT

Ready to Read Documentary

a film by Jenny Mackenzie, executive produced by Levar Burton

The Right to Read addresses the greatest civil rights issue of our time, sharing the stories of a courageous activist, a teacher, and two American families who fight to provide our youngest generation with the most foundational indicator of life-long success: the ability to read. Because of the length of the film, the first half will be shown in the first breakout session, completing it in the second session. A question-and-answer period, led by Preschool Promise's Christopher James, will follow the second half of the film.
