Dayton Star Attendance Program

Star Attendance, get \$25 every month!

Children need to be at Preschool every day and on time. Otherwise they miss out on learning!

Did you know that children who attend school 90% of the time in Kindergarten through 3rd grade are better readers? If a child misses just 2 days each month, that adds up to 10% of the entire school year. That's a lot of lost learning!

Preschool is a great time to help children understand just how important good attendance is!

But it's not always easy to get children to Preschool. That's why **Dayton Preschool Promise families** will be eligible for a \$25 per month Star Attendance Program if their child attends 90% of the child's scheduled time.

Because this program is funded by the City of Dayton and philanthropic dollars, only Preschool Promise families living in Dayton or in the Dayton Public Schools attendance zone are eligible for the Star Attendance Program.

How will this work? Are there other rules?

- After you sign up you'll receive a Preschool Promise Mastercard with \$25 already loaded. Each month that your child attends 90% or more of the time, we'll load an additional \$25 to the card.
- Attendance rates will be calculated based on the number of days your child is *scheduled* to be at Preschool. This schedule will be set at the start of the Preschool year or at the time of enrollment.
- **Payments will be made upon meeting the attendance requirement. For example, if your child meets the 90% target in September you will receive payment by the third Friday in October.**
- If your child is sick, please don't send him or her to school! Children can't learn when they're not feeling well. And we don't want other children or teachers to get sick.
- Complications will come up, including illnesses and emergencies. But, to be fair to everyone, the \$25 will only be awarded to families who meet the 90% mark, regardless of the reason for their child's absences. Don't worry! You can meet the 90% goal the following month!
- You may use your Preschool Promise Mastercard everywhere Debit Mastercard is accepted. ****Please note that some merchants (hotels, gas stations, etc.) may place pre-authorization holds on this card which may make the card decline due to an insufficient balance.**
- The funds loaded onto the card will be available for 18 months after card issue date. After that date, any unused funds will be returned to Preschool Promise.
- **If at the end of the year, your child has been enrolled at a Preschool Promise program for at least 6 months and your child's overall attendance is 90% or better, your family will receive an extra \$100 Star Attendance bonus at the end of the school year!**
